

WEATHERVANES

THE PERFECT FINISHING TOUCH

Good Directions weathervanes:

- Copper and brass weathervanes are handcrafted using 22 gauge metal, made to withstand the elements and last a lifetime.
- Includes a weathervane figure, solid brass directionals, copper globes and assembly rod
- Our exclusive Single Point ContactSM design allows our weathervanes to spin easily in the wind
- Heirloom quality and brass and copper weathervanes have a Lifetime Warranty
- Easy-to-assemble and install with both video and print instructions
- A 401AL Roof Mount is recommended for Standard and Full Size weathervanes, sold separately. See page 29 for all mounting options.
- The pure shiny copper will age naturally over time. To preserve the shine, we recommend using Inctalac Lacquer Spray, page 33.

OUR WEATHERVANES COME IN FOUR SIZES
